COMPANY:

Rico Foods is a Hispanic and Family owned company specializing in the manufacturing of the Finest Hispanic Caribbean Frozen Foods, Spices, and Seasonings in the market. All of our products are manufactured in the USA using old world traditional homemade recipes with only premium selected ingredients.

PRODUCTS:

Our product line includes over 240 items that are available in various retail and food service sizes and all made within our USDA and FDA inspected and licensed manufacturing facilities. We have a sales force of sales representatives plus a network of independent national and regional brokers.

Our Mission is to constantly listen to the needs and ideas of our faithful customers and satisfying those needs by developing new products that are well respected in the Hispanic Caribbean community.

CO-PACKING AND PRIVATE LABEL:

Rico Foods is also a private label & co-packing house packing for various National & Regional Distributors and Restaurant Chains.

CUSTOMER BASE:

Rico Foods, Inc. is a manufacturer servicing a customer base consisting of National and Regional Distributors, Private Label, and Co-Packing accounts. All of our services are provided directly from our various manufacturing and warehousing facilities in New Jersey.

RICO EMPANADILLAS 6"

An **Empanadilla** is a culinary treat. The beauty of an Empanadilla is its simplicity. Delicious fillings stuffed inside a pocked made of flaky dough. Empanadillas are prepared with many different types of fillings, from traditional savory fillings to mouthwatering sweet fillings. The traditional fillings are called “rellenos” and are different from one country or region to another. The most popular Empanadilla dough is made with wheat flour. However, Empanadilla dough can also be made with corn meal, mashed sweet plantain, and yuca or cassava. Our Empanadillas are sold frozen, and ready to fry or bake until golden brown.

RICO SOFRITO'S & RECAITO'S

Rico Foods Sofritos & Recaitos are sautéing sauces used in Spanish cooking where the primary ingredients are green peppers, onions, garlic, cilantro, and coriander. Sofrito was often made at the moment of use by placing the ingredients in a mortar and pestle and grinding the paste prior to cooking. The best method for modern times is using Rico Sofrito & Recaito. Sofrito is used in making rice, beans, stewed or pot-roasted meats. Two key ingredients that make sofrito more than just a pepper and onion base are the sweet chili peppers and the herbs that are added.
